

# AMAZING LOW GLOSS COLORS THAT HOLD THEIR SMOOTH FINISH

Fluropon Extreme stands up to the harshest elements while preserving color and gloss.

## PRE-PAINTED PANELS FACE THREATS BEFORE THEY FACE WIND AND RAIN

No other coating offers both resistance to abrasion and a smooth finish. Those qualities might be just what your next project demands.

## EXTREME LOW GLOSS FINISH

Enhanced damage resistance, same great colors, in a low gloss (8-15) smooth finish that minimizes imperfections like: substrate defects, oil canning, and edge wave.

## THE PROVEN BENEFITS OF FLUROPON

Fluropon Extreme delivers the advantages of 70% PVDF coatings:

- Outstanding color and gloss retention
- Extreme weathering performance
- Resistance to dirt, stains, chalk and fade
